The uncertainties of travel

Traveling abroad can be an exciting experience. But what would happen if you or one of your family members became ill or injured while away from home? International travel can quickly turn frightening if you're not prepared for a medical emergency.

Most travelers assume they will be covered by their standard medical plan. The truth is, while traditional plans may offer adequate domestic coverage, they may not be designed for international travel. Without even realizing it, you may be putting your health - and that of your family - at risk.

What if you are injured or become ill during your trip? Could you get quality treatment at an unfamiliar hospital? How would you deal with the language and currency barriers? What if the treatment you need isn't available nearby? Who do you call? Imagine trying to call your insurance company at 3:00 a.m. from a foreign country during a medical emergency! Will they be there when you need them the most?

You have enough things to worry about when you're traveling. Don't let your medical coverage be one of them. International Medical Group® (IMG®) has developed three Patriot Travel Medical Insurance® plans to provide you and your family Coverage Without Boundaries®. Each plan offers a complete package of international benefits and 24 hour availability. Simply select the one that best fits your needs.

In case of an Emergency Admission, the Precertification call must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not Precertified, eligible claims and expenses will be reduced by 50%. Precertification is not an assurance of coverage, a verification of benefits, or a guarantee of payment. All medical expenses must meet usual, reasonable, customary, and eligible payment guidelines. Please refer to the Certificate Wording for full details of the precertification requirements.

For precertification, emergency evacuation and repatriation, please call: IMG in the US: 1-800-628-4664 (toll free) or 1-317-655-4500. Call IMG outside the US: 001-317-655-4500 (collect if necessary). This information will also be provided on your ID card.

Note: An insured person may begin the precertification process at our website, www.imglobal.com. Simply click the "Current Clients" title, then click the "Initiate Precertification" option. You will be asked to provide the required information, which can then be submitted electronically to IMG. The Medical Department at IMG will notify you upon receipt of the email, and once we have received the request, our utilization management and review team will review the information provided and respond to the insured person or the provider within 48 business hours. Please note that this online service will only initiate the precertification process, and it should not be used to precertify emergency admissions, procedures or evacuations.

CLAIM PAYMENT

All benefits payable under Patriot Travel Medical Insurance are subject to the provisions described in this brochure and as contained in the Policy Wording and certificate of coverage. To make claim processing efficient, claims may be paid in two ways.

2. Eligible claims that have not yet been paid by the Insured Person will, at the option of IMG, be made either to the Insured Person or directly to the provider.

Please mail completed claim forms to International Medical Group, P.O. Box 88500, Indianapolis, IN 46208-0500 USA. All IMG contact numbers, claim forms and Certificate Wordings will be included in the fulfillment kit. IMG may also be contacted by fax: 317-655-4505 or e-mail: insurance@imglobal.com.

ENROLLMENT PROCESS & APPLICATION FORM

You should read the following important information prior to completing the Application Form.

HOW TO ENROLL

Before you begin your travel, simply fill out the Application Form and calculate the premium for the time period you and your family will be traveling. Once you have completed the Application Form, return it to your insurance agent or broker, and/or mail it to IMG. You, your spouse and unmarried dependent children (over 14 days and under 18 years of age) listed on the Application Form and for whom premiums have been paid will be covered from the **latest** of the following dates: 1) the date IMG receives your completed Application Form and the appropriate premium (for non-US citizens, the date following such receipt); 2) the date you depart from your country of citizenship; or 3) the date requested on your Application Form.

Patriot Travel Medical Insurance coverage ends on the **earliest** of the following dates: 1) The end of the period for which premium has been paid; 2) the date requested on your Application Form; or 3) the date you return to your country of residence (however, see Home Country Coverage on page 4 for incidental coverage).

ENROLLMENT PROCESSING & FULFILLMENT KITS

IMG normally processes Application Forms within 24 hours of receipt. Once processing is complete, IMG will mail a fulfillment kit to the mailing address listed on the Application Form. The fulfillment kit will include an IMG Identification Card, IMG contact numbers, Claim Forms and an insurance certificate containing a complete outline of the Policy Wording. *Please note: If you require express mail delivery, there is an additional charge listed on the Application Form.*

ELIGIBILITY REQUIREMENTS

The following conditions apply to all persons applying for and/or enrolling in Patriot Travel Medical Insurance.

- For those over age 65 and visiting the US, your initial Period of Coverage must begin within 30 days of arrival in the US. Please attach a copy of your Visitor's Visa to the Application Form. This requirement will be waived with proof of previous valid insurance. Please provide the name of your insurance carrier on the Application Form. If you are not in the US at the time of application, please indicate your expected date of arrival on your Application Form.
- This insurance is not available to non-US citizens who are residing in New York, California or Florida at the time of application. However, this restriction will not apply when the Effective Date coincides with or is subsequent to the applicant's departure date.

EXTENSION OF COVERAGE

The Patriot America and Patriot International plans can be rewritten for succeeding or subsequent periods but are not renewable once the initial Period of Coverage expires. New Deductible, Coinsurance, Eligibility, Conditions of Coverage and Pre-Existing Condition Exclusions apply to any succeeding or subsequent Period of Coverage. A new application must also be completed. The ExPatriot Plus plan must be purchased for a minimum initial period of three months, and is renewable (without break in coverage) for a total of up to two years. Under ExPatriot Plus, an insured person must only satisfy one deductible and coinsurance within each yearly coverage period.

ONLINE FULFILLMENT KIT

You may choose to download your fulfillment kit from the IMG website rather than having it mailed to you. To do this, you must check the appropriate box listed in Section 2 of the Application Form. We **must** have your correct email address to complete this process. Once IMG has received and processed your Application Form, you will receive an email from IMG that contains all of the hyperlinks to obtain the fulfillment information through the Internet.

Completing Section 4 of the Application Form - Sample information

In Section 4 of the application, you will be asked to complete information for each person to be covered by the plan, and you must calculate the monthly and/or daily premium for each person. Below is a sample calculation to assist you. In this example, a family of four (U.S. citizens) is traveling from January 20 through April 12 (i.e., 2 full months, plus 23 days). Based on this information, they would use the Patriot International plan. They choose a \$500,000 plan maximum (Option 7). This family's premium rate calculations would be as follows, based on the monthly and daily rates set forth on page 8:

4. Names of Persons to be insured:				Age	Date of Birth (month/day/year - REQUIRED)	Monthly Rate	# of months	Daily Rate	# of days
Applicant	<i>John Traveler</i>	4	2	61	43	\$82	2	\$164	23
Spouse	<i>Jane Traveler</i>	7	8	65	39	64	2	128	23
Child	<i>Susan Traveler</i>	10	27	89	15	30	2	60	23
Child	<i>Jim Traveler</i>	1	25	91	13	30	2	60	23
									\$412.00
									Total (A)
									\$158.70
									Total (B)

The monthly and daily rates are determined by the age of the applicant as of the effective date of requested coverage (in this example, the application was completed 1/1/05 and ages were determined as of 1/20/05, the departure date). The number of months is 2 (January 20 through February 20 is one month, February 20 through March 20 is another month). The number of days remaining is 23 (March 21 through April 12).

Completing Section 7 of the Application Form - Sample information

In Section 7 of the application, you will be asked to calculate your total premium. At the right is a sample calculation to assist you. The sample uses the same information as our example on the previous page, and completes the calculation process.

You will note that in addition to selecting the \$500,000 plan maximum for each insured person (Option 7), the family also selected a \$100 deductible (deductible rate factor 1.10), the Terrorism Rider, the Sports Rider, and the Patriot T.R.I.P. Lite coverage.

In the first column, \$412.00 has been entered for the monthly premium and \$158.70 has been entered for the daily premium as calculated in Section 4 (see previous page). Because the family chose a \$100 deductible in Section 6 on the application, their rate factor is 1.10.

The family chose two separate riders, so they have entered the applicable add-on rider factors as indicated. They have also calculated their Patriot T.R.I.P. Lite premium.

To arrive at the total premium, the base premium (C) has been multiplied by the total rider factor plus 1.00 (D). Finally, the family chose the Patriot T.R.I.P. Lite coverage, so they have added \$361.60 to arrive at their Total Premium.

Due to space constraints, the sample box looks slightly different than the calculation box on the application
